RAR PAYMENT

1. As per Para 54 of General Conditions of Contracts the contractor may at intervals of not less than 15 days submit RAR (Advance Payment).
2. However it has been observed by this HQ that the RARs are not being processed in time. This practice leads to slow progress of work as contractors face financial difficulties in progressing work. Scrutiny of RARs is also being delayed on the pretext of incomplete paperwork. Attention of the PMs is also drawn to Para 2(e) of this HQ letter 21371/Instr for Constr/P&S/04/MAP dt 04 May 2011. It should be ensured that the RAR payments are processed regularly.
